This gorgeous and spacious 1694 sq.ft. condo has been updated and remodeled (LA permitted) throughout the unit. Just about everything has been newly updated, from the bathroom vanities and sinks, to the doors and hardware. There is recessed lighting, beautiful tiles and granite tops in the kitchen and bathrooms. The master suite, with a his and hers closet, includes a spacious and beautifully tiled bathroom with a Jacuzzi tub and a separate shower. The entire third floor and stairs have new carpet while the main floor has new Pergo floors throughout. The spacious living and dining room has an open floor plan. There is also a brand new private balcony, with Gas BBQ hookups. The small 16-unit complex shares a well-maintained swimming pool. The "1/2" designates this condo as a rear facing unit, not on National Blvd., which means it is quiet, peaceful, and private. Located in the highly sought after Westside Village, this condo is just blocks away from the prestigious Clover Avenue Elementary School, Trader Joe's, Vons, CVS, the 10 and 405 FWYs.
